**Application and Order for Change of Ownership, Reallocation or Transfer
of
Jackson Gulch Project Water Allotment**

This application is for a **change of ownership, reallocation or transfer** (as indicated above) of a Jackson Gulch Project water allotment, from the lands to which it has been attached by order of the District, to certain parcels of said lands or to other certain tracts, all as specifically set forth on the reverse hereof, and in support of this application the undersigned state:

1. The undersigned constitute all of the owners and lienholders of all the tracts or parcels of real estate to which the allotment is now attached and to which a change of ownership, reallocation or transfer is sought.
2. The undersigned owners covenant and agree that they shall be bound by the agreements contained in the original petition and order covering the hereinafter-described allotment the same as if such were fully set forth herein, and that they will put the waters herein allotted to beneficial use upon the lands described.
3. The undersigned lienholder(s) specifically consent to the granting of this petition and agree that their lien rights shall be subordinated to the assessment liens for the water allotments. If this is a transfer petition, the undersigned lienholder(s) agree to the transfer of allotment made and release the water from their lien rights.
4. The undersigned understand that by its action in approving this petition, the District does not agree to install any additional distribution facilities but will continue to deliver the water to the headgate for which it was originally intended only and upon the order of only one person at the headgate. The new owner is responsible for requesting any changes to delivery of the allotment.
